

Dear HSI Grant Recipient,

Adams State University, the premier HSI in Colorado, has worked tirelessly over the past 20 years to establish a campus of equity-minded leaders. We have developed Equity Leadership Institutes that have brought to the forefront the voices of administrators, faculty and staff. The Institutes have enabled leadership to confront barriers created by race, class, gender, and other forms of bias.

Since the onset of this work, we have been able to facilitate these meaningful and productive conversations that explicitly address issues of institutionalized oppression and individual bias that impact teaching, learning and change.

Beginning in Spring of 2018, we offered an Online Equity Leadership Institute that has been just as powerful as the face to face Institutes.

We are pleased to announce that more than ever, during these times of unrest, the Online Equity Institute is available for your institution to enroll.

Please read the attached flyer with more specific information and we eagerly anticipate working with as many of your colleagues as possible. The link for registration is clearly marked on the flyer. Let me know if you request specific information. I will gladly engage in conversation.

Thank you,
